# Teach-In on Palestine

Commemorating the promise recently achieved with the 2003 Geneva Peace Accord, the Regina Peace Action Coalition is pleased to host an afternoon of informative discussion on the topic of Israel and Palestine.

Speakers will include representatives recently returned from the Middle East for the organizations International Solidarity Movement and Project Hope, and an Israeli now residing in Canada who refused to serve in the occupied territories.

Also, there will make a presentation on the exciting developments surrounding the 2003 Geneva Peace Accord.

More information on the Geneva Accord can be found at the following websites:
